The undersigned hereby makes application for a permit to do the work outlined above, and if desired permit is issued, agrees to comply with all existing Ordinances of the City of Louisville and all provisions of the Utility Policy of the Department of Public Works regulating the use of public ways and the opening of streets, alley, sidewalk or highways, and to complete said work within 30 days from the day of the permit. NOTICE: Any person, persons, corporation, agency partnership, utility or other instrumentality to whom this permit is granted WILL TAKE NOTICE that no investigation or examination of the work site, surface or subsurface thereof, has been undertaken by the City of Louisville preparatory to the granting of this permit. SURFACE AND SUBSURFACE EXAMINATION AND INVESTIGATION OF THE WORK SITE SHOULD BE UNDERTAKEN BY THE PERMITTEE PRIOR TO COMMENCEMENT OF THE WORK COVERED BY THIS PERMIT.

In signing the application for the permit sought hereunder the applicant acknowledges that the above provisions as to the Indemnity of the City of Louisville, and as to Site inspection have been read and hereby agreed to.
